Happy 25 Years!

It was twenty-five years ago, this year
When the idea of pet sitting was thought rather queer

"Sitters are for babies!" the skeptics did whoop
"Let pets stay at home? Have YOU scoop their poop?"

But lo and behold, pet lovers rose up
"I too have a baby! It's a puss! It's a pup!"

And the phone started ringing, their dollars were spent
On me giving love, on me making rent

But enough about me, let's talk about you
'Cause without your dedication, happy pets-there'd be few

But the spotlight this night, is on one man and six ladies
Who have worked with me since, way back in the eighties

Here's to Dean! Here's to Heidi and Sugar and Jan!
Here's to Arlene and Amy and Patti, what a clan!

So this party is for you, my excellent staff
You're really top notch, you really kick ass!
