

Please come to the annual Sit-A-Pet party,
For where else is the conversation more scatological, than arty?

And where else but America can we earn a living serving pets?
Compared to the rest of the world, it's as good as it gets.

For there are many pets in the world that don't share in our bliss,
And to ignore their hardships, we'd be so remiss.

So we dedicate this party to all those pets in war torn lands,
Who could use the solace of some loving hands.

The cuisine for the evening will be Middle East.
In hopes that the region will soon be at peace.
